

## **NEXT MEETING** **1:00pm February 16th, 2020**

### **THIS MONTH'S PROGRAM**

**Dick Doran**

### **Aussie Dendrobiums**

An exceptionally gifted grower, Dick Doran has been growing orchids - and amassing awards - for more than 30 years. Among his best known awards - the prestigious Butterworth Prize from the American Orchid Society – is awarded for the best species or hybrid orchid to already have been selected for a Certificate of Cultural Excellence or of Cultural Merit during the previous year. He has won the Roy T. Fukumara Award for his Vandaceous orchids, and the Benjamin Kodama Award for excellence in growing Dendrobiums. Mr. Doran's particular skill in raising Dendrobiums and Vandas does not interfere with his love of Cymbidiums. He is winner of the coveted Ernest Hetherington Award which is given to the grower of the finest hybrid or species Cymbidium awarded that year. In short, Dick hasn't met an orchid he couldn't grow – and he grows them to award caliber.

If you want to learn the correct way to raise a plant to its fullest potential, do not miss the chance to speak with Mr. Doran.

## SHOW TABLE REMINDER:

Show table judging begins at 1:00 PM. To have your plants recognized for judging they must be on the Show Table, with the entry cards by 1 PM. Skip Vandegrift, our photographer, suggests that attention to placement of supports, clips, etc. has multiple benefits, including enhancing the appearance of your plants, increasing the chances of being awarded, and also reduces the need for retouching by the photographer.
